

- 6<sup>th</sup> Convention (1950) - Held in New York
  1. Continued discussion about raising money for "Fung Toy High School". They decided to ask the Yees in California first, then went all over the U.S. and got the Yees (1600+ of them) to donate a total of \$91,000+. Then used \$55,000 to buy a building to rent out for support of that high school.
  2. New York branch decided to buy a building. Their aim was for \$100,000. All Yees in the states will have to buy at least one share at \$20.00 (That money had been paid back to the people).
