- 8th Convention (1958)
- Held in Detroit
- 1. The U.S. Yees formed 5-Tongs and bought properties in Hong Kong. Those buildings had to be maintained. The people in Hong Kong asked headquarters to help. At the convention, it was decided that the rent money was more than enough to do the job, so they told the people in Hong Kong to do it.
 2. In order to unite all branches, will use the same Yee Fung Toy Tong.
 3. Branches - If they want to buy a building, they must have more than 50% of the purchase money before asking headquarters to borrow more.
