August 12,13,14,15,16,  
2006  
Los Angeles, CA, U.S.A

Special Edition of The 3<sup>rd</sup> International Yee Family Association  
And  
22<sup>nd</sup> U.S. National Yee Fung Toy Association Convention

- 22<sup>nd</sup> Convention (2006) - Held in Los Angeles.
- World Yee's 3<sup>rd</sup> convention also held in Los Angeles so both conventions' delegates enjoyed attending both.
- 1. Decided that next World Convention would be held in the Far East and the next U.S. Convention in New York.
  2. Tried to change convention to every four years but voted down. So the convention will still be held every three years, alternating between eastern and western cities.
  3. Cities must have a minimum of 4 delegates before they are eligible to host.
